Note: The RTB will act on anonymous disclosures to the extent that is possible while recognising that we may be restricted in our ability to investigate the matter in the absence of the knowledge of the identity of the worker. It should also be clear that the important elements of this policy such as keeping the worker informed and protecting the worker from penalisation, may be difficult or impossible unless anonymity is lifted. It should be noted that workers cannot obtain redress under the 2014 Act without identifying themselves.
